Gilford High School

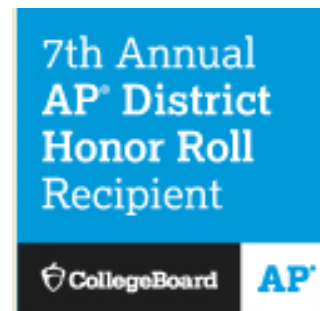

Hello Learners and Parents,

There's lots of information in this week's update. Please take a look.

Have a great week!

Anthony Sperazzo
Principal

A note from Nurse Jenkins...

We are collecting the final [Annual Health Update](#) forms that are collected every September. As many of you know, I was out for the month of September on medical leave and this item got overlooked. Please fill this form out on the GHS webpage, located under Health Services, or use this [link](#). If you already completed the form, please ignore this email.

This is a way for you to communicate any health changes, gives permission for over the counter medications and most importantly, allows for the start of emergency treatment in the event we are not able to contact you
Thank you.

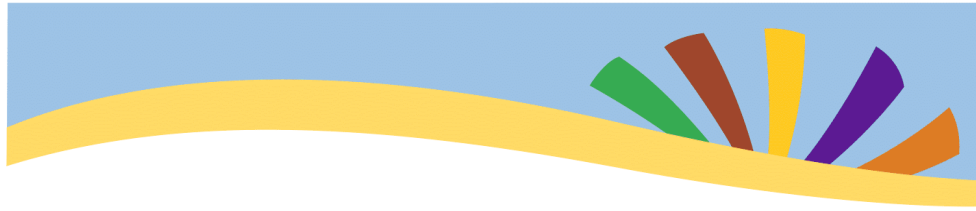

*thank
you*

Friday, was a magical day at Gunstock Mountain. 14 GHS learners volunteered their day off from school to assist Gilmanton Elementary School beginner skiers and snowboarders at the mountain. Amazing connections were made during this truly heartwarming day.

Brooke Kimball joined students cross country skiing. Boden Gagne and Delilah Smock helped to serve hot chocolate to cold skiers and snowboarders. Jackson Blendowski, Millie Caldon, Ryan Caldon, McKenna Clayton, Leah Davignon, Kendal Heyman, Ryder McKay, Maddie McKenna, Lauren Nash-Boucher, Jackson Reed and Abby Taylor all paired up with learners on grades 1-3 to ski and snowboard the day away.

Thank you to each of those learners for making Friday magical.
