Elementary and Secondary Schools Emergency Relief III

ARP ESSER III

The Gilford School District has received \$1,246,509.89 as our allocation for the ARP ESSER III grant. These grant funds are available to the local school district until September 30, 2024. Twenty percent of the ARP ESSER III funds must be set aside to address learning loss. For the Gilford School District we must set aside \$249,302.00 to address learning loss.

The remaining funds are intended to assist school districts in response to COVID-19. Some of those items may include instructional technology, protective equipment, cleaning supplies, air exchange or ventilation systems, social and emotional learning, staffing and supporting academic growth.

We are currently in the process of developing priorities for the ARP ESSER III grant. If you are interested in providing input or suggestions regarding the use of ARP ESSER III funds, please submit information to essser@sau73.org. Thank you for your help.

Juniors will be taking the SAT on March 29th. You can create your own personalized practice by linking your PSAT results with Khan Academy. Here is the link that gives you the steps to link your results.
