make-up exam 9:25-10:55

dismissal 11:15

Anthony Sperazzo
Principal

Please take care of your student lunch balance. All unpaid balances are due NOW. Please email jdupuis@sau73.org with any questions.

Happy Almost Summer!!!!

If your child will be participating in sports at the High School level, please get their physical scheduled ASAP with their PCP so they are current for pre-season tryouts in August. If the PCP cannot accommodate you, your child can always go to one of the walk-in clinics at either ClearChoiceMD or ConvenientMD. If your child had a physical in March of 2022, it is good until March of 2023. If they had a physical in Aug of 2021, they will need one in August in 2022 in order to be compliant with the NHIAA requirements.

FAMILY ID NOW OPEN FOR FALL

Once obtained, please:

- 1) upload to FamilyID (preferred method)
- or
- 2) scan in an email
- or
- 3) drop off at school

This is to ensure your child's privacy. **They should NOT be delivered to the coach**

Even if they are **not** doing sports, this is a great time for a physical if they haven't had one in order to get caught up on immunizations. Some to consider at the HS age are [Meningitis](#), [HPV](#), [Hep A](#) and any others recommended by their provider. If needed, most of the time over the summer, I will be able to send their immunizations, if I have them on file. There might be a slight delay for newly enrolled students.

Also a reminder that **ALL** athletes need the **ImPACT test every other year**. You can check your account on [FamilyID](#) to see if your child is current. You should be using the **same login** info **every time you register your child** so there are not duplicate accounts made. Information regarding your child does not transfer to a new email address. This may lead to a delay in their approval to participate. Tech support at FamilyID can help you with that.

Please feel free to reach out by email if you have any questions or concerns

I hope you all o have a safe and healthy summer

~ Meg

GHS ALICE lockdown **DRILL**, Monday June 13, will begin at 8:00am

Monday's ALICE lockdown **drill** will begin at 8:00. Students and staff will practice a scenario with staff members leading them through this experience. In collaboration with Gilford Police and Fire, the high school administrative team will conduct an ALICE lockdown drill to ensure that students and staff members stay current with best practices such as the [ALICE training](#) that we adopted four years ago.

An enhanced feature is the addition of the "escape" factor. Classes will have the option of reacting and then "escaping" and walking to the Gilford Community Center. We also are adding a parent reunification component this time. Those parents were contacted and we thank them for their time. The drill should take about 15-20 minutes. At that point, staff members will debrief with their students.

The students and staff at GHS are our number one priority and I thank you for placing your trust in us. Please contact me if you have any questions.

Gilford High School Summer Reading

“Summer Stories”

INTRODUCTION

This summer, we want you to explore the stories of others and to learn some new perspectives about the world around you and the people in it. Stories are shared in many different genres: fiction, nonfiction, memoir, biography, poetry, graphic novel, etc. Stories also can be experienced through different mediums: books, podcasts, newspapers, magazines, audio books, and TEDTalks. We want to celebrate all the different ways that individuals share their stories; therefore, we would like YOU to choose a topic to learn about and how you want to experience it. We also want you to choose how you will share it. Please select something that you are interested in and will enjoy!

Interested in participating in a fall co-curricular activity?

Eligibility for fall sports and other co-curricular activities will be contingent upon the third trimester grades from the prior spring. Students must pass three (3) units of work during the previous trimester in order to represent the school in any inter-scholastic contest. Make sure you finish strong or it may affect you in the fall.

**NO LATE BUS THURSDAY, FRIDAY, OR
MONDAY AFTER FINALS**

6/16, 6/17, 6/20

Fingerprinting Clinics

Wednesday, June 15 & Thursday, June 16

Come anytime between 8:00 a.m. - 2:00 p.m.

Photo ID is required.

The process takes approximately 20 minutes.

The clinics will be held in the SAU Office - 2 Belknap Mountain Road. Anyone fingerprinted in 2017 or 2018 is due for fingerprinting. Please call or email the SAU office if you are unsure if you are due to be fingerprinted.
